Referred to Committee on

Date:

Subject: Education; public school choice; average daily membership

Statement of purpose of bill as introduced: This bill proposes to permit school
districts which enroll high school students from other school districts under the
school choice provisions to benefit from this enrollment by including these
students in their “average daily membership” calculation, and to require
schools that receive students exercising public school choice to accept a
defined number of students.

An act relating to public school choice

It is hereby enacted by the General Assembly of the State of Vermont:
